**Terms and Service Agreements :**

We do not remove tar, oils, paints, stains, or abrasions on the body (the outer frame of the car) or the internal and external stickers. Our employees are trustees, and we, as Wash Squad, have no responsibility for the loss of personal items, and the customer has no right to give the employee the car key or the employee to receive the car key (your personal items are your responsibility) We are not responsible for the breakdowns resulting from the provision of the service, whether electrical or other without limitation We strive to remove the stuck dirt, but some dirt may be difficult for us to remove, and the customer has no right to demand its removal. There is no return of service to the customer after the work team leaves the site
